WORK EXPERIENCE

Team Leader | Brain Dots

Jan 2023 – Jan 2024

Islamabad, Pakistan

- Led and supervised teams to achieve performance targets across campaigns including solar energy solutions and healthcare programs (Medicare, Medicaid, and final expenses).
- Delivered exceptional customer service by handling complex queries, resolving issues efficiently, and ensuring client satisfaction.
- Trained and mentored team members to improve productivity, quality, and compliance with industry standards.
- Coordinated cross-departmental tasks to streamline operations and enhance service delivery.
- Managed reporting, performance analysis, and process improvements to meet business objectives.

Customer Service Representative | IBEX

Jan 2025 – Apr 2025

Islamabad, Pakistan

- Provided high-quality customer support for SquareTrade and other assigned projects, handling warranty claims, service requests, and product-related inquiries.
- Assisted customers in troubleshooting issues, processing claims, and coordinating with relevant departments for swift resolution.
- Maintained accurate records of customer interactions and ensured compliance with company policies and service standards.
- Adapted to multiple project requirements, demonstrating flexibility and efficiency in meeting performance goals.
- Delivered consistent customer satisfaction through empathy, clear communication, and problem-solving skills.
